Welcome to CuteHR

CuteHR is a Small Business HR Solution to automate and streamline common HR tasks. It offers various online tools to help manage and improve productivity of your team. It also helps to manage team projects and track time to improve efficiency.

The vision behind CuteHR was to build a simplified HR For small companies.

In the present release it includes the following tools -

- Employee Database and Contracts
- Attendance Management
- Live Time Tracking
- Basic Project Management
- Leave Management
- Employee Self Serve Portal
- Event Dashboard
- Reimbursement Manager
- Report and Analytics

CuteHR runs in the cloud and is always available on desktop and mobile.
