# Add Leaves Policies

You get a default leave policy for the registered company as company's default leaves policy. You can also add leave policies to your company. Adding leave policies is easy, follow the steps below.

## Adding Leave Policies

To add leave policies go to leave settings by navigating as Settings -> Time Off from sidebar menu, you will see the leaves policies of the company here.

To add new policy simply click "Add Leave Policy" button, fill the form of the popup and click "Add Leave Policy" button.

				Edit Leave Po	Cancel	0

Popup will appear, make the changes in the form and click "Edit Leave Policy".

Now, the leave policy is edited.

#### **Deleting Leave Policies**

To delete any leave policy, any time, click on the bin icon in front of the leave policy name.

Select "OK" from the confirmation popup and you are good to go.

### Adding Employees to Leave Policy

By default, employees are added to company's default leaves policy, but you can change the leave policy for every employee. To change it follow the steps.

Navigate to Employees in sidebar menu

COMPANY	EMPLOYEES				
Employee	Live View				
Employees					
Current Emp	oloyees in your company				
Search Em	nployee Q Active V				Add Employee
ID	Name	Department	Contact	Hire Date	Actions
66	Alex Williams		No number demo@newuser.com		🖂   🖊   💼
68	Eric Johnson		No number johnson.eric@acmecorp.com		🖂   🥒   💼
					< 1 >

Click the employee name or the pencil icon against his/her name, you will be redirected to his/her profile page.
