Getting Started with Time Tracking

Using cutehr you can track your time which you are spending working on the projects. To do so, add the projects on your projects page and after adding projects get back to timer page.

Tracking your Time

Tracking time using cutehr is as simple as clicking a button. In order to track your time for projects you are working on, make sure the project on which you will work is added in project page, if not, add it to project page and follow the instruction below.

To track time, click on timer menu on sidebar, add the description and select the project on which you are working, the timer will start.

You can also start the timer without description, click start and a popup will appear notifying you about empty description box. Select "Yes" and the timer will start.
