Setting up Team Event

Adding event to cutehr is simple.

Adding Events

To add event in cutehr click on the Settings menu in sidebar, then click Events submenu. You will see the events page.

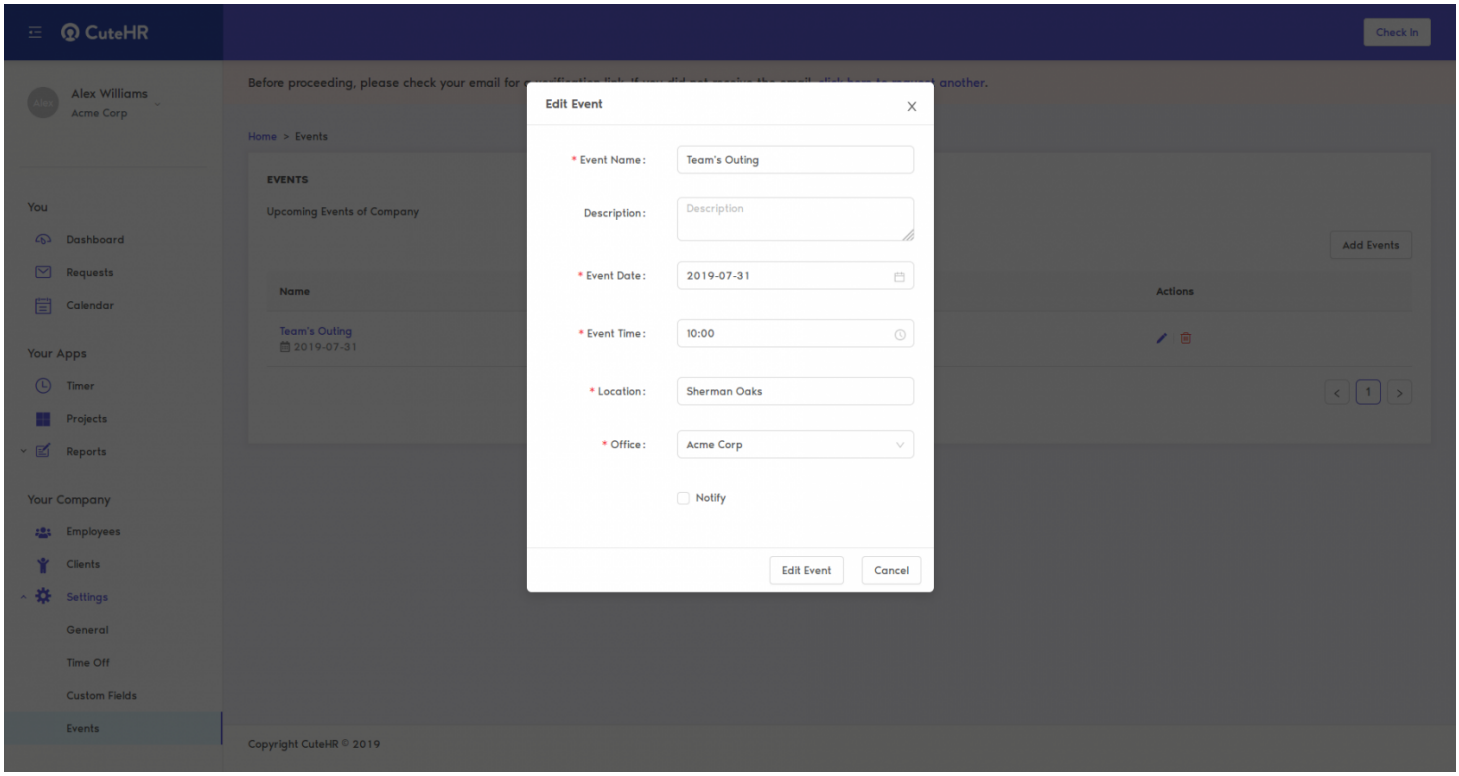

From here click on "Add Events", fill up the details for the events and click Add Event button.

Now the event is added.

Editing Events

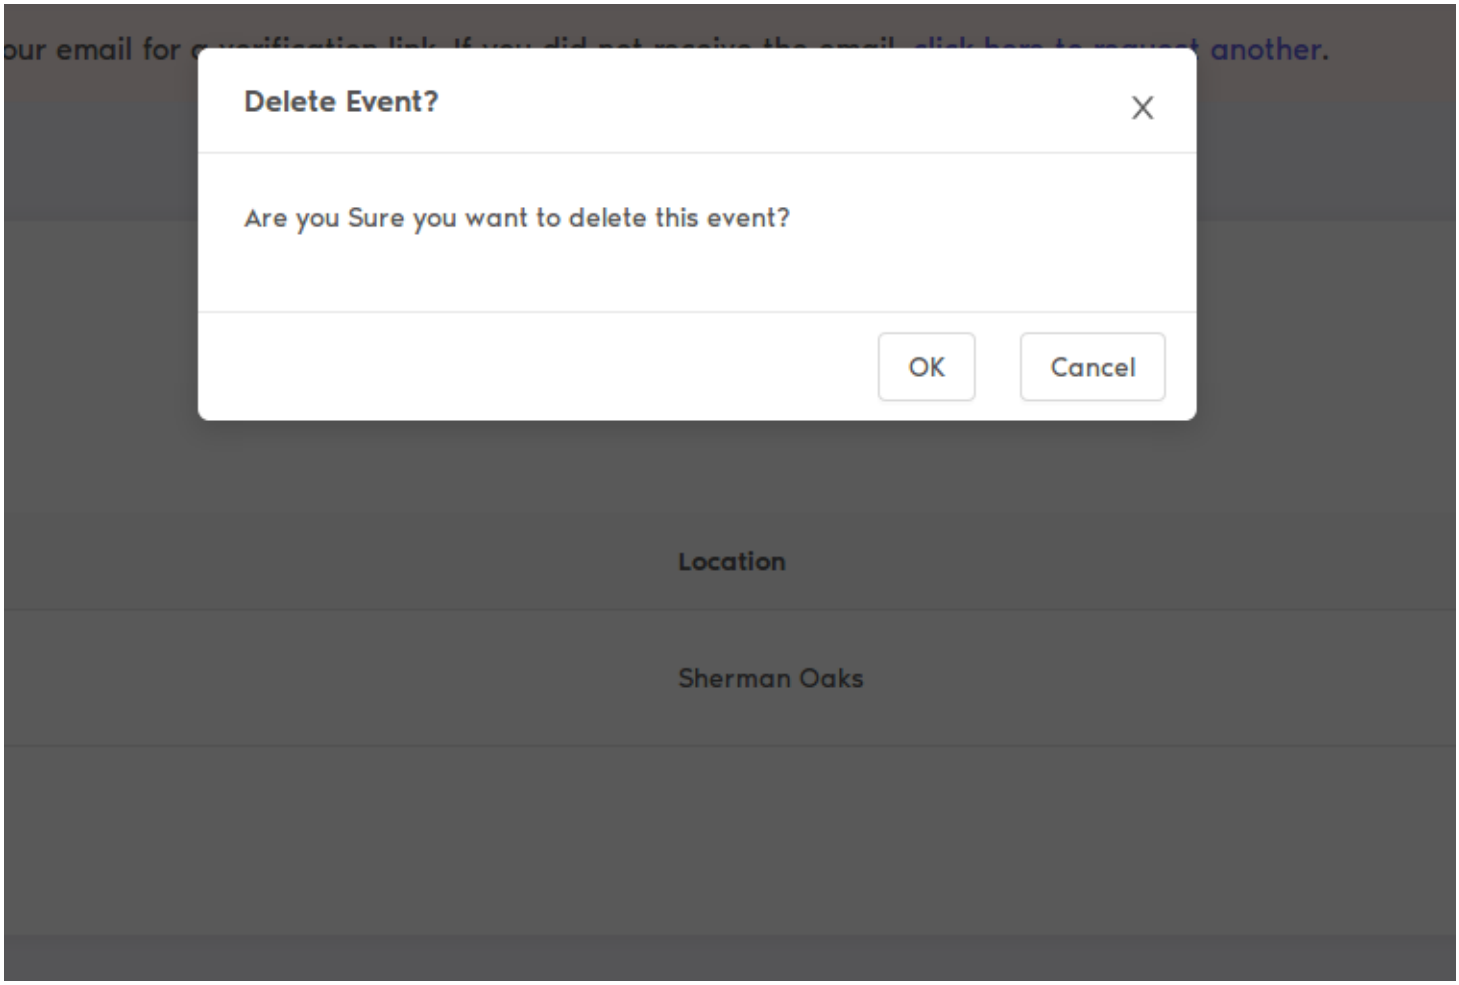

To edit events, simply click the pencil icon in front of event, a popup will appear.

Update the event information and click Edit Event button.

Deleting Events

To delete events, click the bin icon in front of the event which you want to delete.

Click the "Yes" button in the confirmation popup.
